BE PART OF OUR SUCCESS

2018 has been a landmark year for the region. Channel 4 has confirmed that Leeds City Region will be the home of its new National HQ, a decision that will bring huge opportunities for them and us. The announcement is a game changer and brings with it a once-in-a-generation chance to unlock opportunities for our talented young people and draw international attention to our region.

In common with other businesses in this sector, Channel 4 has recognised the opportunity offered by our young and diverse population, our long-established and thriving creative community, our high concentration of universities, our connections to the rest of the UK and our quality of life.

In addition, earlier in the year, Leeds city centre office take up surpassed one million sq ft (Deloitte Crane Survey 2018), global law firm Reed Smith opened its office and Burberry is building its workforce. Huddersfield Town AFC remain in the Premier League and The Piece Hall in Halifax was named Project of the Year at the Royal Institution of Chartered Surveyors awards. Bradford Odeon was awarded £4 million from HM Government's Northern Cultural Regeneration Fund and Wakefield launched a new tech hub to support the region's reputation as the digital heartland of the UK.

This is just the beginning. That's why I would like to personally invite you to 'Be Part of Our Success' as a member of our delegation for MIPIM 2019.

This year we will use MIPIM, arguably one of the most important international economic development conferences, as a springboard to invite the world to discover what you already know, that Leeds City Region is not just best for business, best for lifestyle but also undoubtedly for talent.

I hope you will join myself and civic leaders in celebrating our successes and promoting our opportunities so that we are viewed internationally as a location which is already delivering returns for the businesses that have invested here. And one that is proactively working to grow the economy for the benefit of all who live or work here.

I look forward to working together to promote our region and its dynamic economy and would encourage you to contact our MIPIM team at LCRmipim@westyorks-ca.gov.uk or on 0113 348 1850, to discover how you can be part of our success.
